Mystery Treasure Hunt!

Can You Help Captain BayCoast Count the Treasure and Spot the Historical Figures?

Ahoy! Is your child ready to embark on a thrilling treasure hunt adventure with Captain BayCoast? Join the Captain on this exciting journey to find his hidden treasure and help your child learn to identify different bills and coins, spot historical figures, and count the total value of the treasure!

What Your Child Will Learn:

How to recognize, count, and add different coins and bills

Identify the historical figures depicted on coins and bills

Supplies You'll Need:

- ☐ A printed copy of this worksheet
- ☐ Something to write with (pencil, pen, or marker)

What To Do:

1. **Identify the Treasure:** Help your child identify each bill and coin in the treasure chest.

2. **Count the Value:** Add up how much is in the treasure and write it near the chest.

3. **Spot the Historical Figures:** Mark an X on the money once you find the historical figure on the list. Keep playing until all bills and coins have been identified.
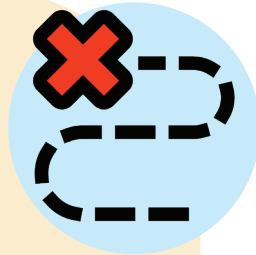

Mystery Treasure Hunt!

Can You Help Captain BayCoast Count the Treasure and Spot the Historical Figures?

X Marks the Historical Figures!

Draw an X on the money once you find the person.

Total Treasure:

$_____

BayCoast
BANK.

Who's Who?

People on money and why they're there!

Benjamin Franklin ($100 Bill)

Benjamin Franklin is on the $100 bill. He was never a president, but he did many things to help our country. He was an inventor, a writer, and he helped write important documents like the Declaration of Independence. He's on the $100 bill because he was very smart and important in America's history.

Ulysses S. Grant ($50 Bill)

Ulysses S. Grant is on the $50 bill. He was the 18th President and a commanding general during the Civil War. He led the Union Army to victory over the Confederacy, making him a key figure in maintaining the unity of the nation. He's on the $50 bill in recognition of his contributions to the United States.

Andrew Jackson ($20 Bill)

Andrew Jackson is on the $20 bill. He was the 7th President. He is famous for representing the common people and was known as a people's president. He's on the $20 bill because he worked for the regular Americans.

Alexander Hamilton ($10 Bill)

Alexander Hamilton is on the $10 bill. He was one of the Founding Fathers, which means he helped start the United States. He also created our financial system, which is how we use and manage money. He's on the $10 bill because he made important plans to keep our money safe.

Abraham Lincoln ($5 Bill and Penny $0.01)

Abraham Lincoln is on the $5 bill and the penny. He was the 16th President. He helped free the slaves and led the country during the Civil War, a time when the North and South parts of the United States were fighting. He's on our money because he kept our country together and made big changes for freedom.

Thomas Jefferson ($2 Bill and Nickel $0.05)

Thomas Jefferson is on the $2 bill and the nickel. He was the 3rd President and wrote the Declaration of Independence, which told everyone we wanted to be a free country. He's on our money because he played a big role in making America independent.

George Washington ($1 Bill and Quarter $0.25)

George Washington is on the $1 bill and quarter. He was the first President of the United States. He helped our country become free and is often called the "Father of His Country." He's on our money because he was very important in starting our country.

Franklin D. Roosevelt (Dime $0.10)

Franklin D. Roosevelt is on the dime. He was the 32nd President and helped our country through very tough times, like the Great Depression and World War II. He's on the dime because of his leadership and impact during challenging periods in American history.
